THE KANSAS CITY STAR.

Letters

Claire McCaskill

A big thanks to Steve Kraske for the front-page story (9/22) about the "McCaskill for Governor" signs going up in Kansas City and around the state.

Top 10 reasons for a Draft Claire Drive are what she represents. She...

1. Is honest.
2. Has integrity.
3. Is a frugal fiscal conservative who has worked to save taxpayers millions of dollars by making recommendations on how to make government operate more efficiently.
4. Is an inspiring and exciting people person.
5. Will propose real-life solutions to real problems.
6. Knows statewide issues.
7. Is ready for prime-time.
8. Is a hard-working, respected leader.
9. Has lived in cities and rural areas (she knows what is important to people).
10. Understands that we have lost too many jobs and need a new economic team to help attract and expand businesses to balance the state budget.
